MEETING SUMMARY- August 7, 2024::

Commissioner Gault received a complaint about dogs in the park with no leashes. There are signs throughout the park that state you have your dog on a leash and please clean up after your dog. Suggested that the complainant call the police when there is a dog running loose. The Park also had provided a plastic bag station for dogs but the bags were constantly being stolen and the park decided to have them removed.

Commissioner Gault received a call about a tree that is falling behind 7622 Venice Drive. Will have maintenance review and have removed as soon as possible.

Commissioner Pompelia stated that the Orwig Park Renovation Project is moving along. The trees have been removed and will start on the painting of the gazebo.
