Date: 19 Sept 25 -

SUMMARY OF MEETING

August 15, 2025

Park Paving: The Park Commissioners had entered into an agreement with Howland Township Board of Trustees to approve to partnership with them for the 2025 Paving Program for Howland Township. Quotes will be received for two separate areas: the boys ballfield to the Tiger Town bathroom and the area from the gas well to the stop sign located at the Clifton Drive intersection. The Park Commissioners will make a final decision upon the review of the cost for each area.

All American Cross County Conference: the Park will be closed on October 9th for the All American Cross Country Conference.

Howland Rotary – Ken Abel: They would like to make a contribution to the park to help defer some of the cost of the security cameras. At this time the Park has not incurred any cost but will let them know when they do.

Commissioner Pompelia stated that Southside Excavating and Bird Dog has completed the drainage projects around the park, and also placed stone around the pond. Part of the costs were covered by an anonymous donation.

Marvin Tree Service removed dead branches and pruned the trees coming down the road at Bolindale Park as they posed an imminent safety risk.

Pickleball Court: Commissioner Gault stated that there cracks throughout the court and one area gets slippery when wet. A pickleball player donated his pressure washer and cleaned the area. Also, Commissioner Seman is to receive quotes to line the parking places and also to have a handicapped parking spot at Bolindale. Also approve getting quote for main park to line parking before soccer season.

Morgandale Park: Matt Wilden of Believer's Christian Church has offered to donate their time to improve the park area. Also, Administrator Pantalone is having the playground equipment that is in disrepair removed. Some pieces of equipment will stay.

Flag Football: Approved Elliott Giles to use the park for 7 weeks for Flag Football starting September 12th. A fee of \$250 per week will be charged.

Playground Surface: The Park's attorney sent a letter in regards to the repair/replacement of the damaged surface. A decision whether to fix complete area or just the holes will depend upon the cost and whether the company will provide some type of financial support.

The Commissioners have rescheduled their September 12th meeting to September 19th at 10 A.M.
